Job Description

ROLE AND RESPONSIBILITIES

1. Plan, develop, organize and direct a coordinated internal audit programme covering all activities.
2. Develop a risk-based biennial audit plan to undertake compliance, management, and performance audits.
3. Develop the audit approach and methodology in conformity with generally accepted standards. Review and appraise the soundness, adequacy, availability and application of appropriate guidelines, standards, and methodologies for audit, inspection and investigation work to promote effective and efficient internal control at a reasonable cost.
4. Ensure that the reporting of internal audits, investigations and inspections is complete, clear, concise, constructive, objective, accurate and timely. Ensure systems are in place to follow up the implementation of recommendations in line with best practices. Monitor and review the adequacy and effectiveness of actions taken as a result of the audit recommendations.
5. Undertake inspections to identify risks within the Organization, which could enable fraud or hinder implementation of the work program. Propose corrective action.
6. Ensure that all cases of reported or suspected misconduct, fraud, malfeasance, mismanagement, waste of resources, abuses, or violations of rules, regulations and administrative instructions are promptly and fully investigated.
7. Ready to take travel within Vietnam.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

1. A graduation or post graduation degree/diploma in Social work/ Human Rights/ law/social Sciences/Labour laws or similar field.
2. Must be well versed in Local language and English language.
3. Minimum 1-2 years of experience in Social compliance audits / Evaluations in garments export houses and manufacturing industry.

ADDITIONAL ABILITY: CERTIFICATION IN ANY OF THE WRAP/ISO/OSHA/FLA
